

Q Struggling to Track Academic Tasks

A common productivity challenge among college students

Insights

- 1** Multiple subjects mean multiple deadlines
- 2** Tasks are often scattered across platforms
- 3** Missed deadlines increase stress and burnout
- 4** Poor tracking leads to inefficient study routines

Impacts of the Problem

Increased academic stress

Poor time management

Lower academic performance

Reduced motivation

Proposed Solution

A simple task and study management web application designed for students.
Centralizing academic tasks in one platform.
